Jihad - Wikipedia

Jihad is a concept in Islam that refers to the struggle for the sake of God and His cause. It is a central theme in Islamic teachings and is often misunderstood. The word 'jihad' is derived from the Arabic root 'j-h-d', which means to strive or struggle. In Islamic terminology, jihad is divided into two main categories: the greater jihad (al-jihad al-akbar) and the lesser jihad (al-jihad al-asghar). The greater jihad refers to the internal struggle against one's own desires and weaknesses, while the lesser jihad refers to the external struggle against other people or nations. The concept of jihad is often used to justify violence, but it is important to understand that the primary goal of jihad is to establish justice and peace in the world.
