However, with the emergence of Capitalism in the 18th Century, society and the family changed. Capitalism is based on a system of private ownership –“ The bourgeois use their own personal wealth to personally invest in businesses in order to make a profit, they don’t invest for the benefit of everyone else.

A fuzzy concept is a concept of which the boundaries of application can vary considerably according to context or conditions, instead of being fixed once and for all. This means the concept is vague in some way, lacking a fixed, precise meaning, without however being unclear or meaningless altogether. It has a definite meaning, which can be ...
