Eight Types of Mentors: Which Ones Do You Need?

Civics or civic education is the study of the theoretical, political and practical aspects of citizenship, as well as its rights and duties. It includes the study of civil law and civil code, and the study of government with attention to the role of citizens—as opposed to external factors—in the operation and oversight of government.

Comprehension strategies are sets of steps that good readers use to make sense of text. Comprehension strategy instruction helps students become purposeful, active readers who are in control of their own reading comprehension. The seven strategies here appear to have a firm scientific basis for improving text comprehension.
