The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials!

In the October 2009 Slowinski at-large, I illustrate three different lane conditions in both 2-d and 3-d images. Specifically, in the article, I discuss the importance of reviewing 2-D graphs and interpret these into 3-D as well as how to improve your visualization of micro-topography in lane conditions.
