In order to continue producing high quality content and expanding the message of radical, unapologetic self-love, we need to build a sustainable organization.

### **6 Warning Signs That Your Friendship is Abusive**

One in four online teens make friends on social networks. Teens use social networks for the creation and the maintenance of friendships. Most teens are using the networks to stay in touch with people they already know, either friends that they see a lot (91% of social networking teens have done this) or friends that they

rarely see in person (82%).
