

travel guide template for pdf

New Zealand was the last major landmass to be settled by people. This, combined with its late European colonisation, geological youth and geographical isolation, has led to the development of a young, vigorous nation with a well-travelled and well-educated population.

New Zealand – Travel guide at Wikivoyage

Potholes are a plague on Britain's roads. The Local Government Association claimed in 2016 that it would take 14 years to clear the backlog of potholes, despite councils filling in almost two million per year.
